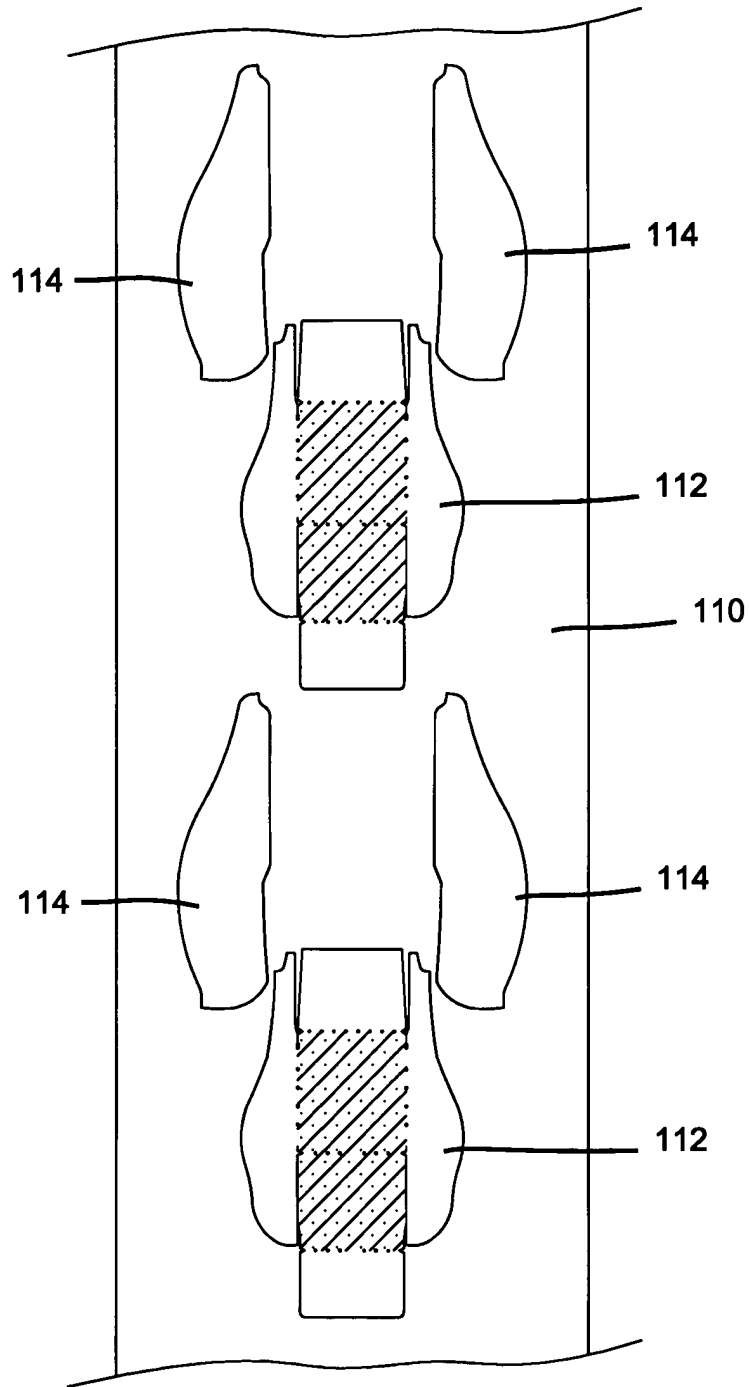

FIG 3

FIG. 4 is a cross-sectional view of a garment assembly. The assembly includes a central panel 120, which is bordered by a material 112. The panel 120 features a pattern of diagonal lines and dots. It is connected to side panels 114 via fasteners 134 and 140. The bottom of the panel 120 is connected to a base 130 via fasteners 154 and 128. The top of the panel 120 is connected to a top layer 150 via fasteners 148 and 146.
